RDPCrystal EDI Library

Take Charge of EDI

Thank you for downloading the Free 30 Day Trial of
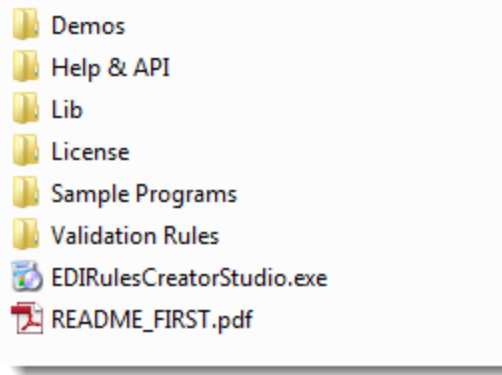

RDPCrystal EDI Library

Quick Note – You may need to 'Unblock' our zip file

A blocked zip file will prevent help files or .dlls from working properly

To "**unblock**" a file, right-click on the RDPCrystalEDILibrary.zip,
choose **Properties** from the context menu, click the **Unblock** button in the lower
right-hand corner of the resulting dialog, and hit **OK** or **Apply. Now unzip the file as
usual.**

Folder Descriptions

You should see the following folders after unzipping your **RDPCrystalEDILibrary.zip**
file

1. Demos – Demos of all the RDPCrystal EDI Library components. Double click on any demo to launch it

2. Sample Programs – **C#.Net** sample programs and source code. You can open these sample programs using Visual Studio 2010 or later.   Other IDEs that support .Net can also be used. For example, SharpDevelop.

    a. **Visual Studio can be downloaded from** https://visualstudio.microsoft.com/downloads/
    b. **SharpDevelop can be downloaded from** http://www.icsharpcode.net/opensource/sd/download/Default.aspx#SharpDevelop5x

3. EDI Rules Creator Studio – Application for creating, editing, viewing and validating X12 EDI validation rules

    Instructions on viewing validation rules
    a. Install **EDI Rules Creator Studio** by double clicking on EDIRulesCreatorStudio.exe
    b. **File**->**Open 5010 Rules**
    c. Select the rules you want to load. For example, *Rules_5010_999_005010X231A1.Rules*
    d. After loading the rules go to the **EDI Validation** tab to test sample EDI data provided.
    e. You can also visit the other tabs to view what other data a rules file contains

b) **Help** – API and other help files
c) **Validation Rules** – 4010/5010 validation rules file. These files are used by our EDIValidator component to validate EDI data
d) **Lib** – RDPCrystal EDI Library libraries (.Net /.Net Core)
e) **License** – RDPCrystal EDI Library License and Terms Of Use

Technical Support

You have **Unlimited Technical Support** during your trial. Please contact us at support@rdpcrystal.com with any questions you have.

Message from the RDPCrystal EDI Team

"We want this to be a successful trial for you. As you get more familiar with the components of RDPCrystal EDI Library you will see that we have a component for each major aspect of EDI development.   Please feel free to contact us any time if you have a question.

We look forward to hearing from you!"

The RDPCrystal EDI Library Team
